ABOUT US

**“ Specialized Construction,
Unparalleled Quality ”**

The history of Shahid Builders stretches back to 1985. Over the period of 30 years, the company has undertaken many challenging projects initiating itself from the construction of housing units to the construction of residential and non-residential buildings, high end hospitals, highways, Clubs, farm lands and parks.

The company successfully addresses the current challenges and aims to work for the future developments at national and international level.

Shahid Builders with its head office located in Pakistan has successfully opened its new branch office in the Sultanate of Oman. The Company's aim is to represent itself and its country globally and to serve the requirements of the people and be part of building a better world.

Nevertheless, it is committed to provide the best quality construction through its most valuable manpower and through modern constructional tools and equipment's.

GROUP OF COMPANIES

CASAREINA

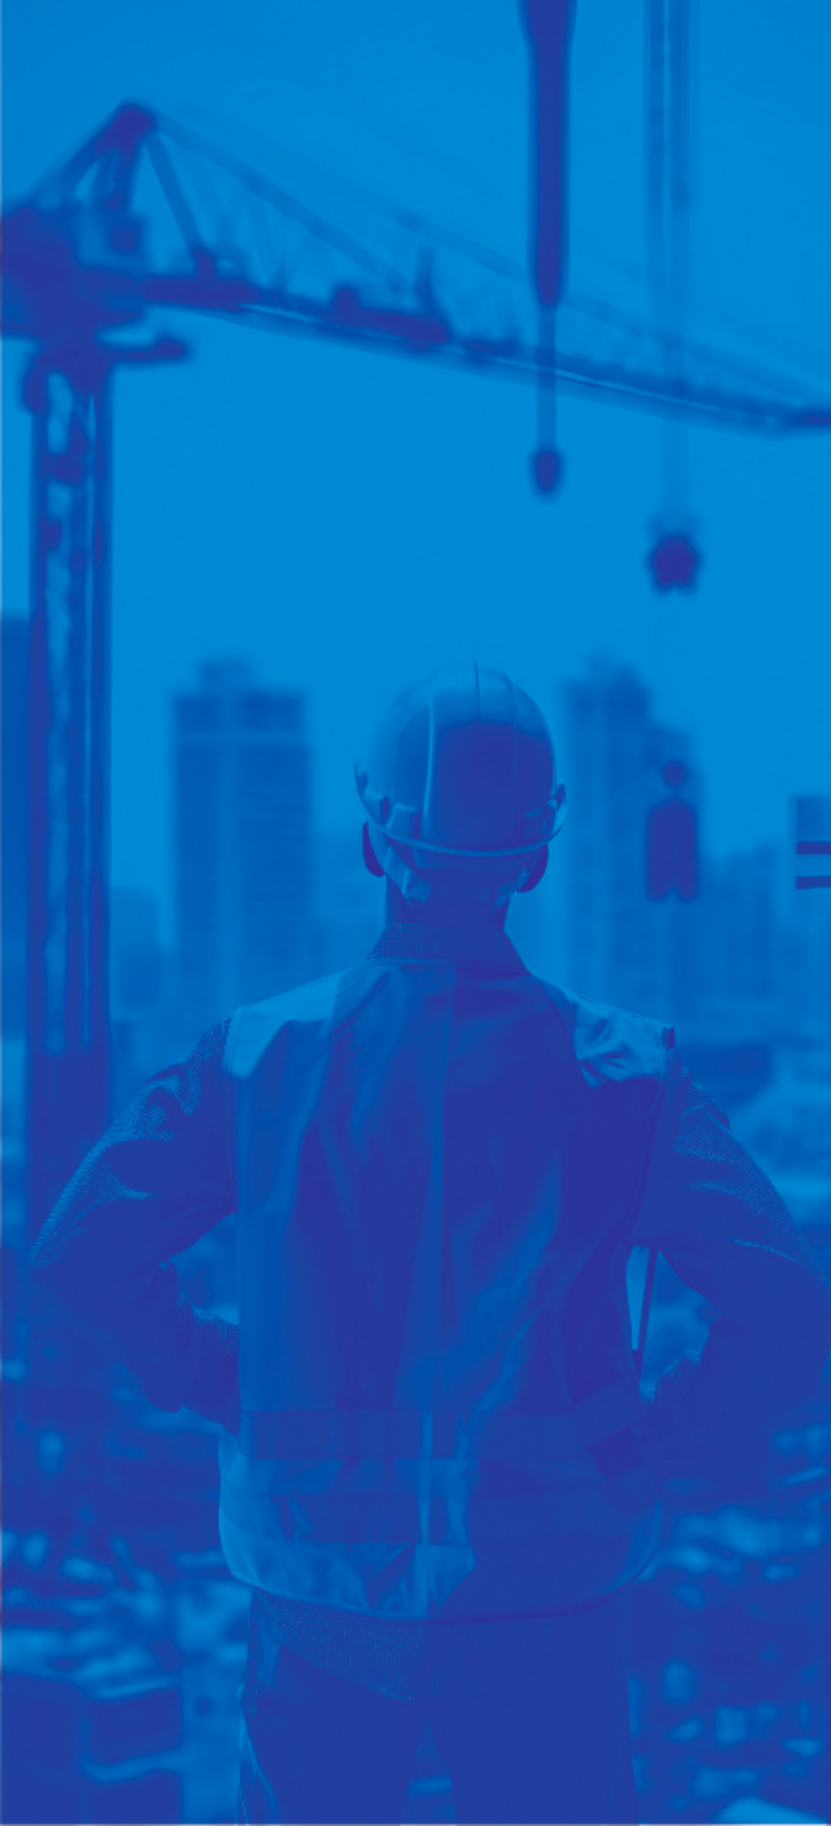

CEO MESSAGE

Driven by a vision to make a positive impact, I embarked on an entrepreneurial journey in 1985. This journey led to the creation of Shahid Builders (Pvt.) Ltd., a company dedicated to delivering exceptional value and exceeding client expectations in the construction industry.

As CEO, I am committed to fostering a team that is strategically led and focused on achieving our goals. My passion lies in providing quality living solutions, which has been the cornerstone of Shahid Builders since its inception.

Years of experience in the industry have exposed me to innovative construction methods and sustainable practices employed globally. I believe that adopting these techniques is crucial to minimizing human error and ensuring the highest quality standards in our projects.

Mian Shahid Mehmood

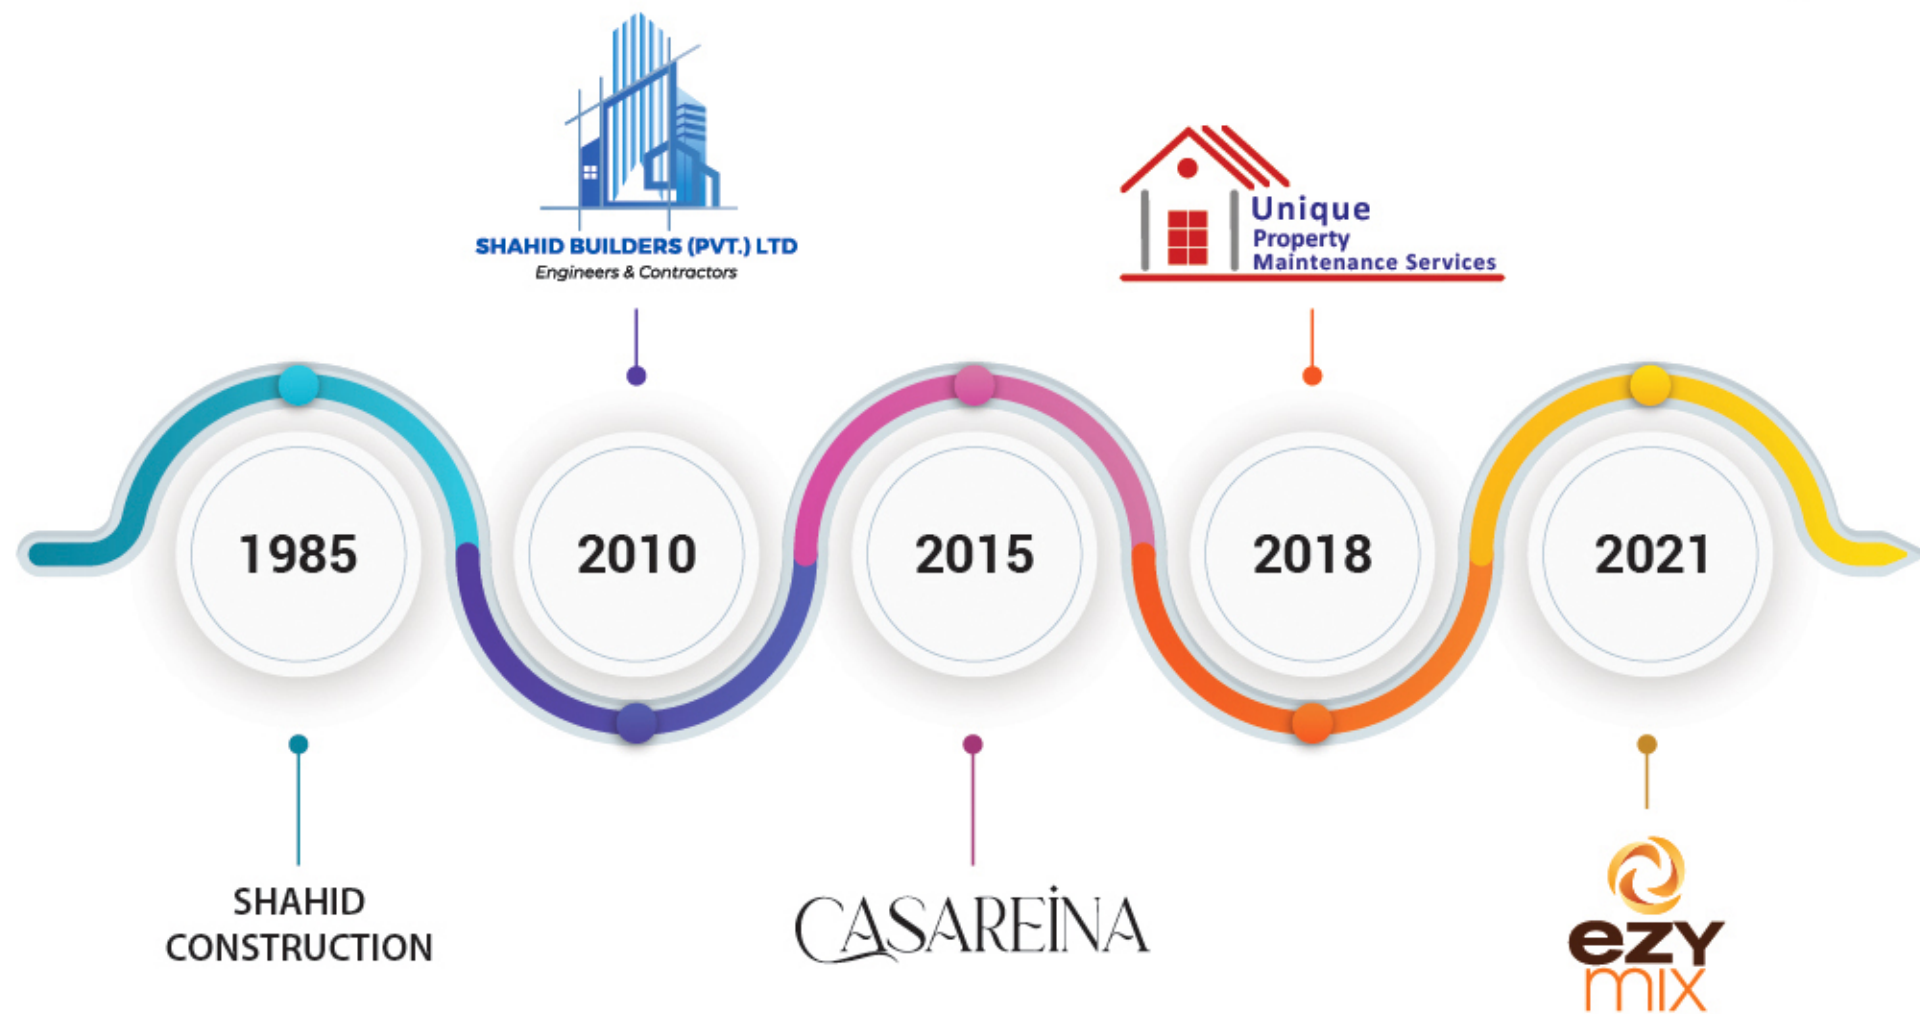

VISION & MISSION

Empowering Dreams, Shaping Landscapes: Pioneering the Future of Construction Excellence by delivering innovative, sustainable and iconic projects that inspire communities and stand the test of time.

We envision a world where our expertise transforms visions into reality, setting new benchmarks in quality, efficiency and client satisfaction.
